Vinyl By Homeland

Homeland Vinyl Products, Inc. manufactures the highest quality vinyl components for use in creating beautiful, long-lasting, low-maintenance outdoor products including fence, deck, railing and specialty structures.

Homeland Vinyl Products is a member of the Vinyl Manufacturers Association (VMA), which requires a rigorous quality control program with third-party auditing. Best of all, Homeland stands behind their vinyl profiles with an outstanding warranty and their Homeland Security Alliance Declaration of Principles (summary below):

Product Quality

Homeland's products are proudly manufactured in the USA to the highest quality standards. Homeland is VMA Certified and third party audited

Homeland is a recognized leader in the PVC extrusion industry.

Homeland stands behind its products and provides outstanding warranties...

Innovation and Leadership

Homeland manufactures one of the largest specturm of UV-Stabilized vinyl profiles...

Homeland is actively involved in the development and enhancement of national standards and building codes for vinyl... products.

Vinyl Gates

In Stock !

Custom Vinyl Gates:

We build all our gates with internal frames. Our internal aluminum frames are durable and lightweight. Our internal steel frames will hold up to extreme conditions and have the options for middle uprights and inline wheels. No matter what the application is, we can match the style and color of your fence, adapt to any opening, and rack to any angle you need. For more common applications please check out our **Stock Vinyl Gates**.

Stock Vinyl Gates:

Size	Dimensions	Frame	Rack	Rails	Slats	Color
